

## Notice of California Consumer Data Collection and Sharing Practices

The following is a description of our data collection practices, including the personal information we collect, the sources of that information, the purposes for which we collect information, and whether we disclose that information to external parties. We may use any and all of the information for any of the purposes described in this Privacy Policy, unless limitations are listed. The categories we use to describe the information are those enumerated in the CCPA.

- **Personal Identifiers:**
  - We collect your name, phone number, email address, contact address, and customer ID when you create an account, contact us, or complete a transaction.
  - You provide us with payment information, which may be your credit card number or a bank account, when you complete a transaction.
  - We do not collect your Social Security number, Driver's License number, or Passport number.
  - We do not collect any medical information or health information about you.
  - We collect your IP address automatically when you use our Services.
  - We collect your Device ID automatically when you use our Services.
- **Protected Classifications:** We collect your age in order to comply with laws that restrict collection and disclosure of personal information belonging to minors. We do not collect your gender, racial or ethnic origin, or sexual orientation.
- **Commercial Information:** When you engage in transactions with us, we create records of goods or services purchased or considered, as well as purchasing or consuming histories or tendencies.
- **Biometric Information:** We do not collect information about your physiological, biological, or behavioral characteristics.
- **Internet or Other Electronic Network Activity Information:** We collect information about your browsing history, search history, and information regarding your interaction with websites, applications, or advertisements automatically when you utilize our Services.
- **Geolocation Data:** As described above, we collect your IP address automatically when you use our Services. We may be able to determine your general location based on the IP address. We do not collect your precise location (e.g., your GPS coordinates).
- **Audio, electronic, visual, thermal, olfactory, or similar information:** If you contact us via phone, we may record the call. We will notify you if a call is being recorded at the beginning of the call. We do not collect your image or any thermal, olfactory, or similar information.
- **Professional or employment-related information:** We do not collect information about your current employer or your employment history.
- **Education information:** We do not collect any information about the institutions you have attended or the level of education you have attained.
- **Inferences drawn to create a profile about a consumer reflecting the consumer's preferences or characteristics:** We may analyze your actual or likely

preferences through a series of computer processes. On some occasions, we may add our observations to your internal profile.

We may share any of the above-listed information with Service Providers, which are external parties that we engage for business purposes and are restricted from using Personal Information for any purpose that is not related to our engagement. The categories of Service Providers with whom we share information and the services they provide are described in our Privacy Policy.

On certain occasions, we also sell information to third parties. An external party may be considered a third party either because the purpose of sharing is not an enumerated business purpose under California law, or because our contract does not restrict them from using Personal Information for other purposes. To “sell” information means to disclose it to an external party for monetary or other benefit. We sell the following information:

- **Personal Identifiers:**
  - We provide your contact information to directory services providers and public safety authorities.
  - We provide your IP address and Device ID to our business partners.

We may also disclose information to other external parties who are not listed here when required by law or to protect our Company or other persons, as described in our Privacy Policy.
